

Global Roaming Services – From NEOTECH

About NeoTech

NeoTech Telecoms (UK) Ltd. is a solutions and services provider specifically focussed on the Brazilian, US and European Markets, the Global market for the International Traveller and International IoT Services.

- Infrastructure, solutions and services for all service operators – **Mobile Solutions**, VoIP, M2M, International Roaming;
- Special services for Brazilian Expatriates and Travellers to North America and Europe;
- International Roaming to nearly 200 countries;
- M2M Roaming Services worldwide, without roaming charges – The NeoTrak Platform;
- OTT Applications replacing traditional voice and data services.

CallMundi International Roaming

The CallMundi roaming card is a versatile product which can be used all over the world and is essential for travellers. Using the CallMundi SIM Card in any unlocked phone will guarantee savings of up to 87% on roaming calls.

Using a mobile abroad is very expensive. Business travellers or holidaymakers often exceed their roaming allowance. CallMundi reduces costs significantly.

Keeping in touch with family, friends and businesses is essential when travelling – CallMundi now make these communications possible at a fraction of the cost.

- No contract!
- No fines!
- Low roaming cost!
- Full control over roaming expenses!

CallMundi Prices

CallMundi For Resellers

Freedom and Flexibility

At CallMundi we understand that the journey to success is different for every business, that's why our reseller program is flexible and offers three partnership levels based on your commitment and effort.

-  Bronze – perfect for entrepreneurs and small businesses/retailers who want to grow their portfolio of products. You can start with as little as 10 starter kits per month and earn 10% discount.
-  Silver – for specialized companies (e.g. travel agencies or telecom retailers) able to commit to 51-250 starter kits per quarter. You earn 15% discount on each order.
-  Gold – well suited for businesses with large sales volume. In addition to 20% discount for 250+ Starter Kits ordered per quarter we offer custom branding and priority support.

CallMundi Roaming Coverage

CallMundi has roaming agreements with over 570 mobile operators in more than 190 countries.

The NeoTech CallMundi Card is an innovative global roaming pre-paid SIM card which provides a cost-effective solution for making phone calls and using data services when traveling.

Ours clients deserve it!
